

**REMARKS**

This amendment is filed pursuant to 37 C.F.R. §1.312 after allowance and before payment of the issue fee. This amendment is submitted to correct a typographical error in the specification to remove reference numerals from the abstract and to remove "legal" language from the abstract. The foregoing amendment does not introduce new matter into the specification.

Applicant also submits herewith a replacement sheet of drawings identifying Fig. 1 as Prior Art as required by the Office Action mailed July 12, 2006. The correction was made to the drawing by an amendment filed January 12, 2007. However, when responding to the Notice to File Corrected Application Papers mailed August 3, 2009, Applicants inadvertently submitted a drawing sheet that omitted the legend Prior Art on Fig. 1. This replacement sheet rectifies the omission.

Accordingly, Applicant respectfully requests entry of these amendments by the Examiner at the earliest possible date. Applicant respectfully requests that the Examiner contact the undersigned by telephone to advance the prosecution in any respect.
